Q27 Do not allow more intensive development (such as units where there is a single house) in hazard areas

Answered: 50 Skipped: 2

	STRONGLY AGREE	AGREE	NEITHER AGREE OR DISAGREE	DISAGREE	STRONGLY DISAGREE	TOTAL	WEIGHTED AVERAGE
(no label)	58.00% 29	32.00% 16	6.00% 3	4.00% 2	0.00% 0	50	1.56

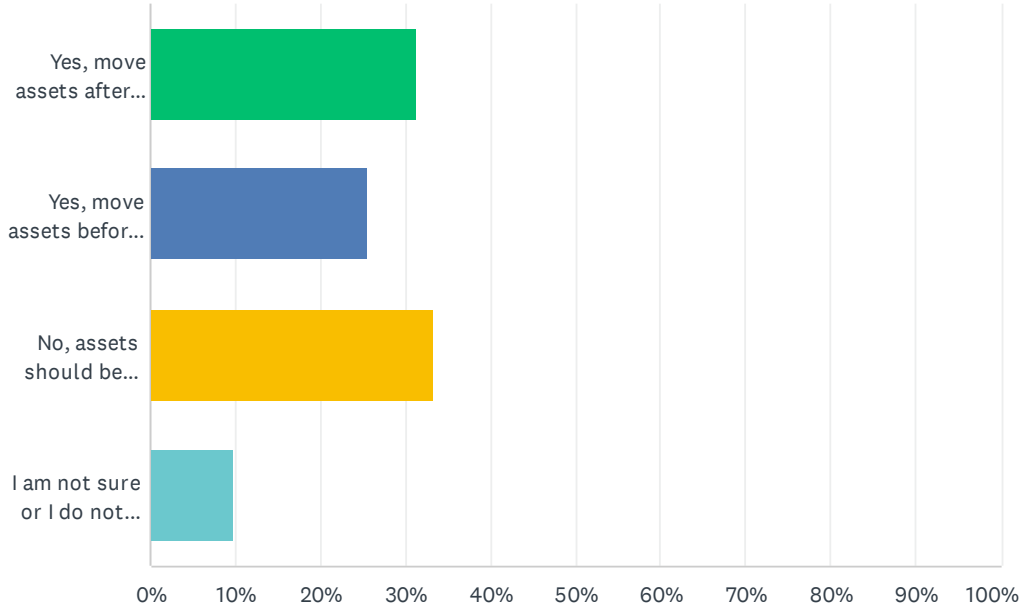
Q28 Private landholders should be informed about the risk of erosion when they buy or develop in hazard areas

Answered: 51 Skipped: 1

	STRONGLY AGREE	AGREE	NEITHER AGREE OR DISAGREE	DISAGREE	STRONGLY DISAGREE	TOTAL	WEIGHTED AVERAGE
(no label)	62.75% 32	33.33% 17	3.92% 2	0.00% 0	0.00% 0	51	1.41

Q29 Do you think we should progressively move assets out of hazard zones and then let natural processes take their course, e.g. let shorelines retreat as predicted?

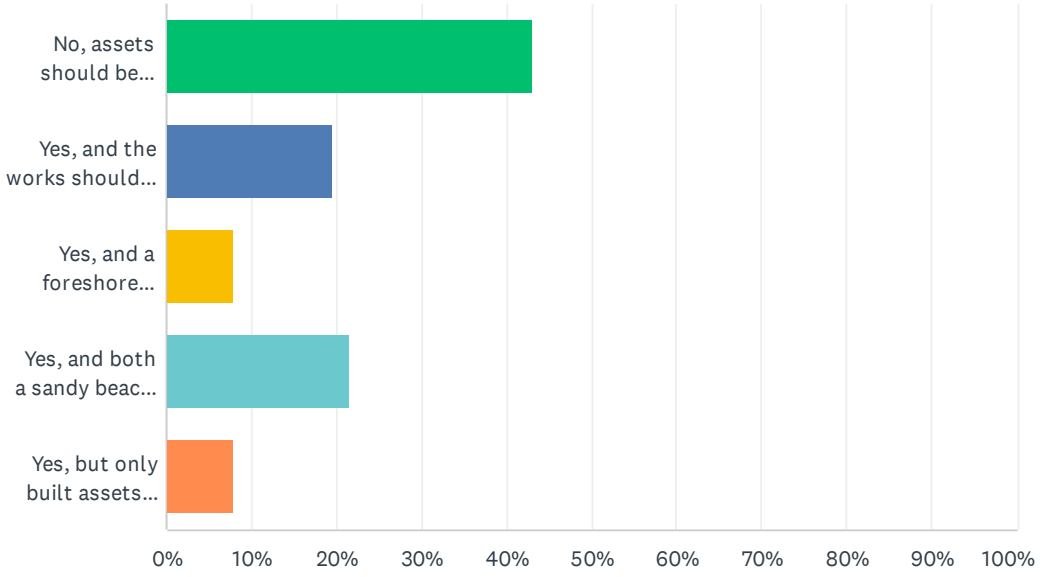
Answered: 51 Skipped: 1



ANSWER CHOICES	RESPONSES	
Yes, move assets after they become damaged (e.g. house is flooded or unstable)	31.37%	16
Yes, move assets before they become damaged	25.49%	13
No, assets should be protected by works such as seawalls	33.33%	17
I am not sure or I do not have an opinion.	9.80%	5
TOTAL		51

Q30 Do you think we should build coastal protection structures like seawalls, beach groynes, artificial headlands or offshore breakwaters to stop land being eroded?

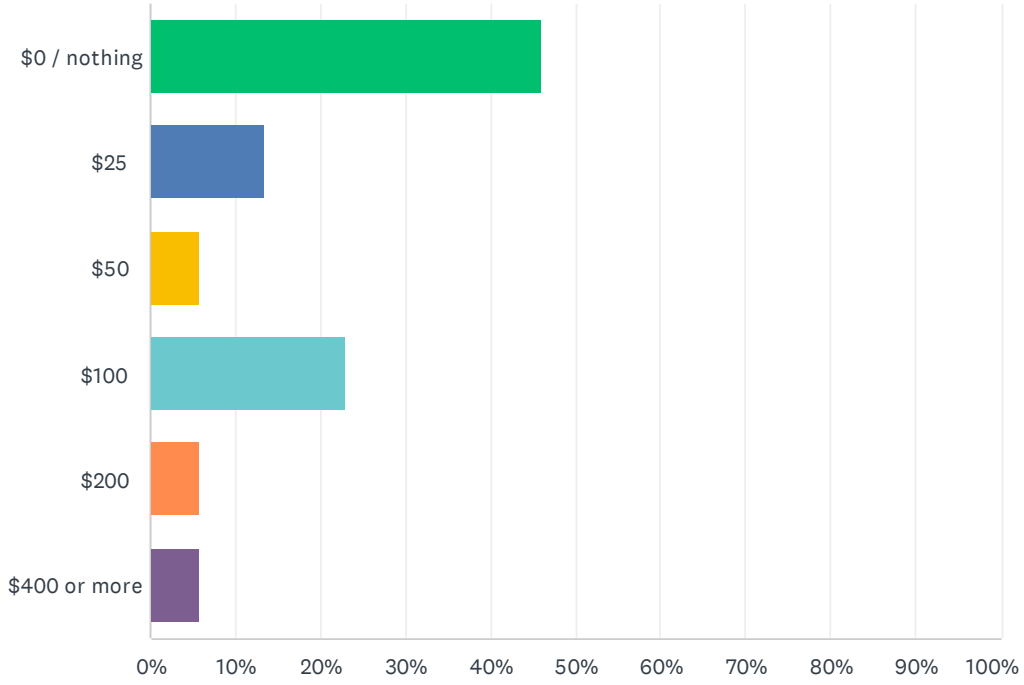
Answered: 51 Skipped: 1



ANSWER CHOICES	RESPONSES	
No, assets should be progressively moved out of the hazard zone	43.14%	22
Yes, and the works should be designed so that a sandy beach is provided	19.61%	10
Yes, and a foreshore reserve area (vegetated dune and recreation area) should be provided	7.84%	4
Yes, and both a sandy beach and foreshore reserve area should be provided	21.57%	11
Yes, but only built assets should be protected – sandy beach and foreshore amenity do not need to be provided	7.84%	4
TOTAL		51

Q31 How much extra would you be willing to pay on your rates / rent / local accommodation each year to maintain the current amount of sandy beach along the town shoreline?

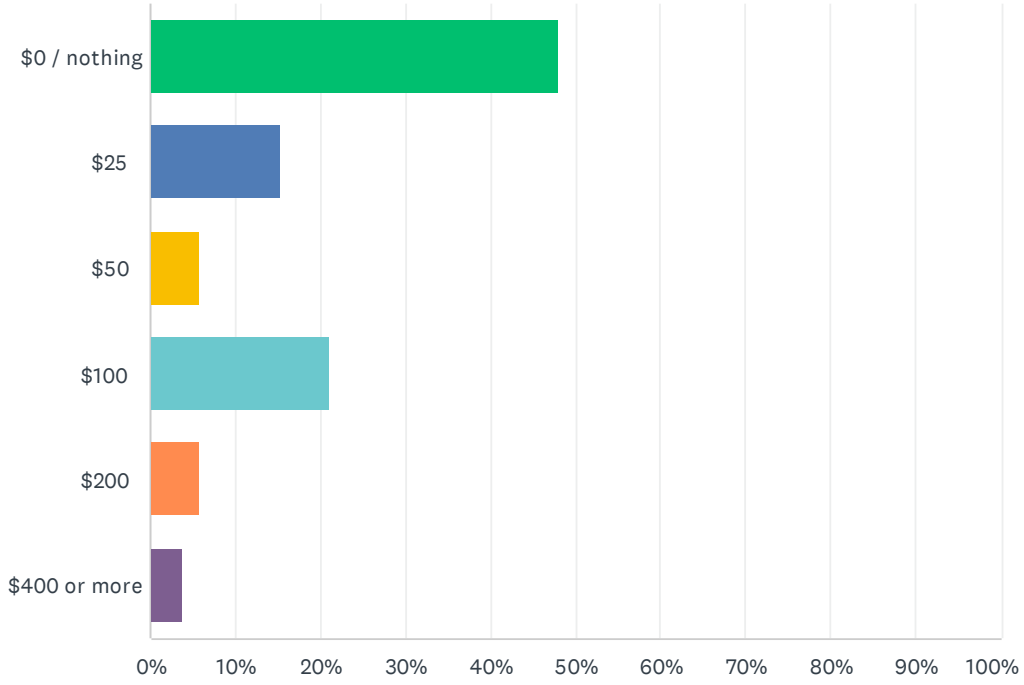
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
$0 / nothing	46.15%	24
$25	13.46%	7
$50	5.77%	3
$100	23.08%	12
$200	5.77%	3
$400 or more	5.77%	3
TOTAL		52

Q32 How much extra would you be willing to pay on your rates / rent / local accommodation each year to maintain the current amount of natural foreshore reserve (vegetated dune) along the town shoreline?

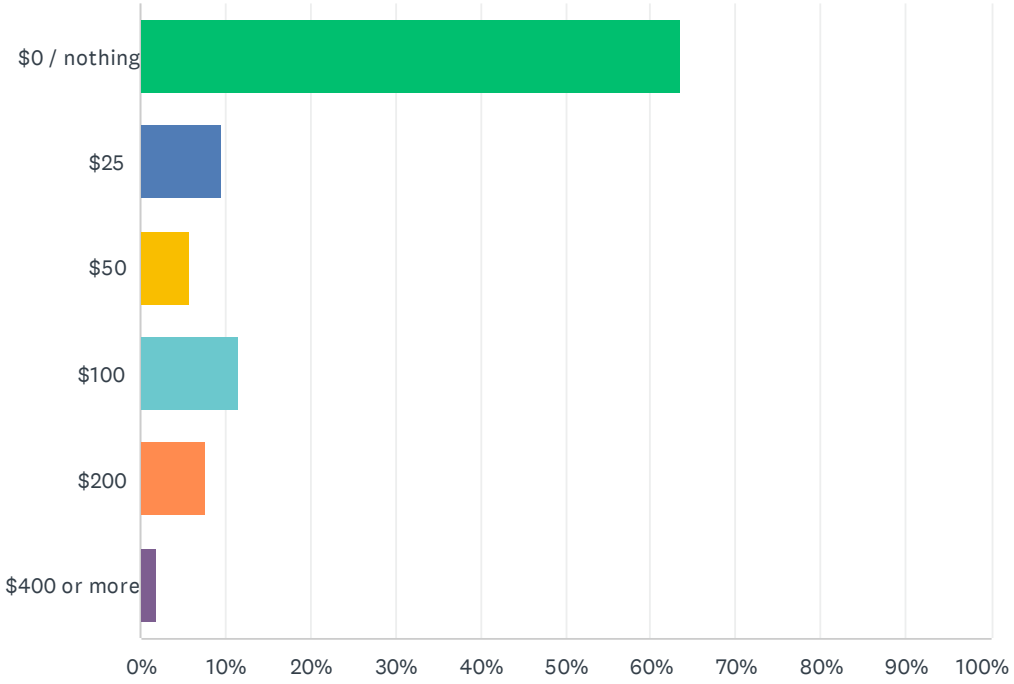
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
$0 / nothing	48.08%	25
$25	15.38%	8
$50	5.77%	3
$100	21.15%	11
$200	5.77%	3
$400 or more	3.85%	2
TOTAL		52

Q33 How much extra would you be willing to pay on your rates / rent / local accommodation each year to maintain the current amount of recreational foreshore along the town shoreline? (e.g. coastal walkways, grassed areas, BBQ and gathering areas)

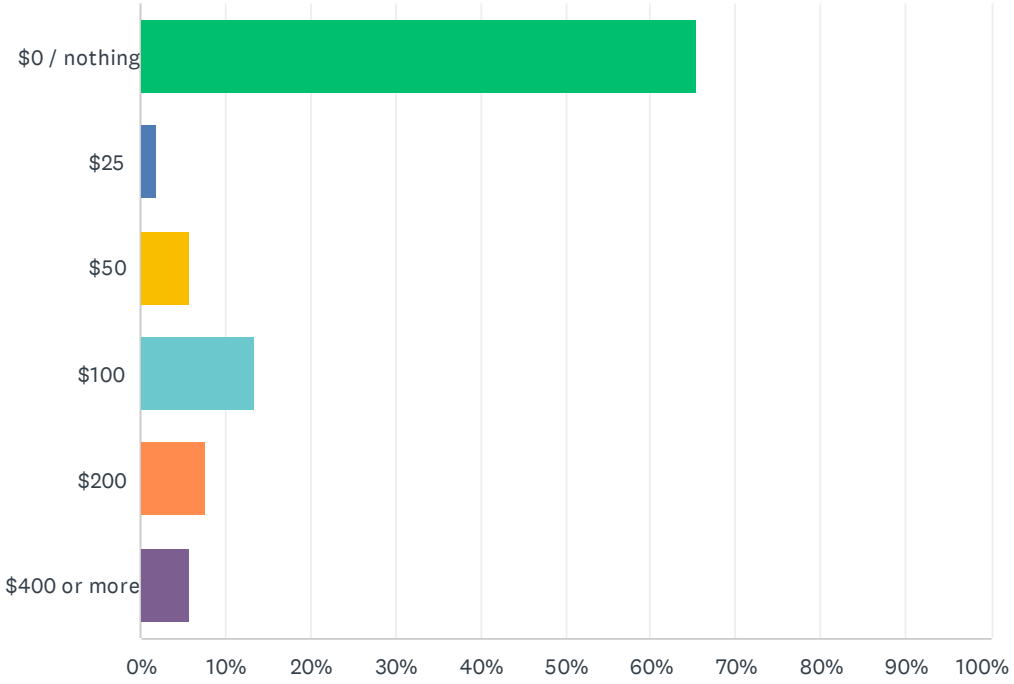
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
$0 / nothing	63.46%	33
$25	9.62%	5
$50	5.77%	3
$100	11.54%	6
$200	7.69%	4
$400 or more	1.92%	1
TOTAL		52

Q34 How much extra would you be willing to pay on your rates / rent / local accommodation each year to implement coastal protection along the town shoreline? (e.g. construct more rock revetment/seawall structures along areas with assets at risk)

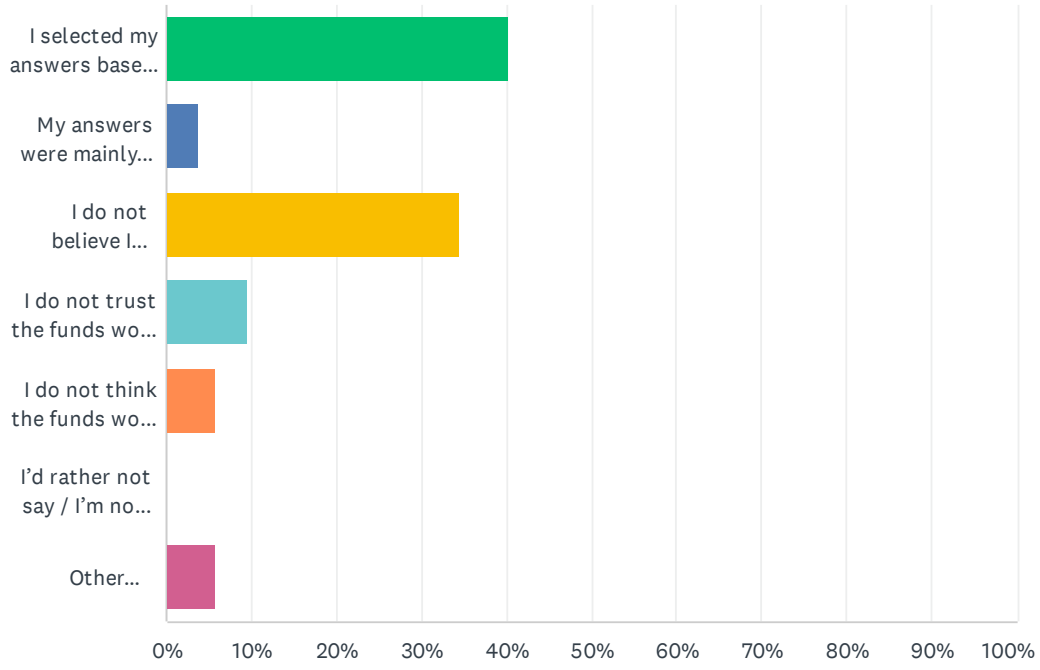
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
$0 / nothing	65.38%	34
$25	1.92%	1
$50	5.77%	3
$100	13.46%	7
$200	7.69%	4
$400 or more	5.77%	3
TOTAL		52

Q35 For the previous few questions, please select an answer that best sums up your choices

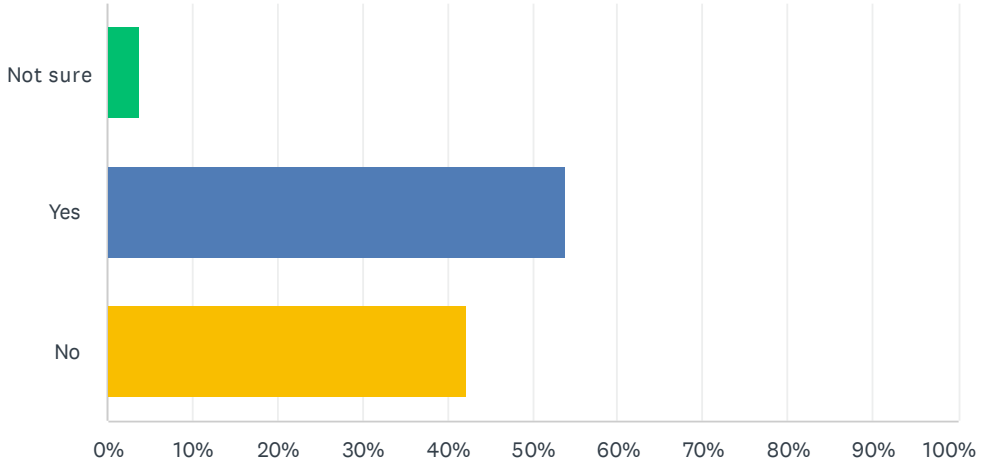
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
I selected my answers based on how much I value the foreshore and did not consider whether I could afford a rate increase or not	40.38%	21
My answers were mainly based on not being able to afford a rate increase	3.85%	2
I do not believe I should fund coastal protection and managed retreat out of my own pocket	34.62%	18
I do not trust the funds would be used to best manage coastal hazards	9.62%	5
I do not think the funds would go towards directly benefiting me and my assets	5.77%	3
I'd rather not say / I'm not sure	0.00%	0
Other…	5.77%	3
TOTAL		52

Q36 Do you think that ratepayers who benefit more from a coastal protection structure such as a seawall should pay more than other ratepayers?

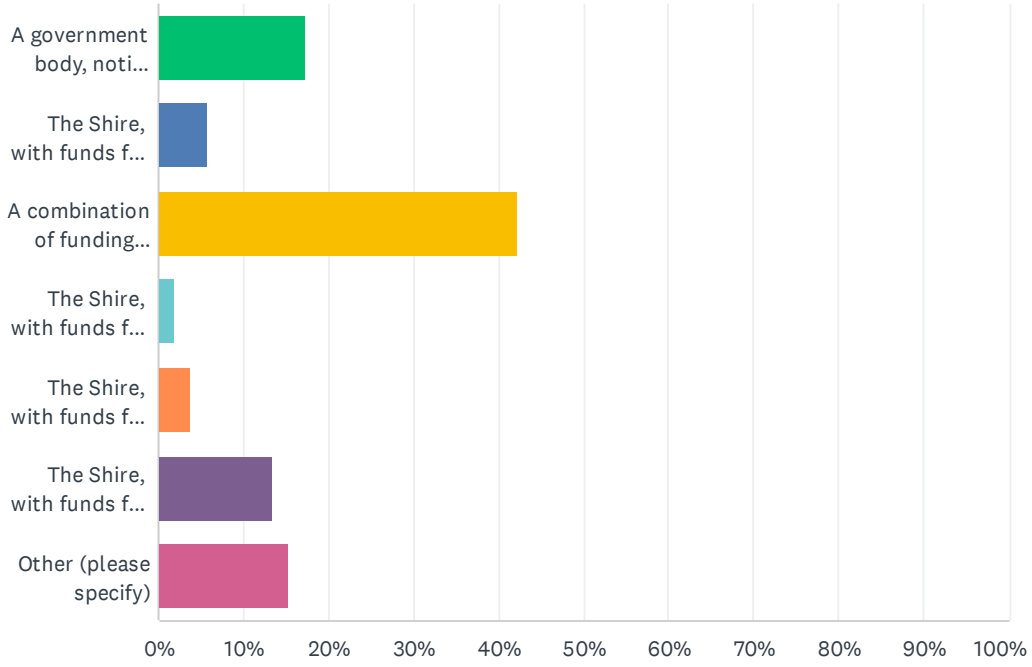
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
Not sure	3.85%	2
Yes	53.85%	28
No	42.31%	22
TOTAL		52

Q37 If it is decided to build coastal protection structures like seawalls, beach groynes, artificial headlands or offshore breakwaters to stop land being eroded, who do you think should pay for the works?

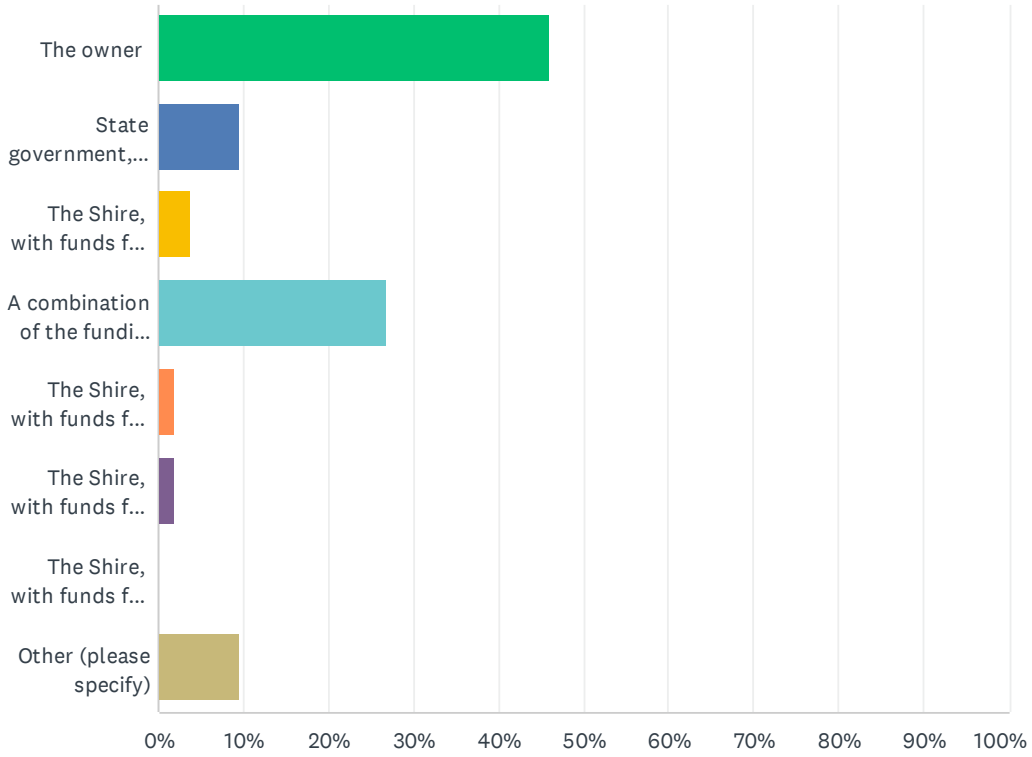
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
A government body, noting policy indicates government is not responsible for private property	17.31%	9
The Shire, with funds from a coastal protection fee on tourists visiting the Shire (possibly as an extra fee per night that tourist accommodation is used)	5.77%	3
A combination of funding methods listed above	42.31%	22
The Shire, with funds from an increase in rates for all ratepayers within the corresponding town	1.92%	1
The Shire, with funds from an increase in rates for all ratepayers in the Shire	3.85%	2
The Shire, with funds from an increase in rates for all ratepayers within the hazard zone	13.46%	7
Other (please specify)	15.38%	8
TOTAL		52

Q38 If a structure must be removed, who do you think should pay for the loss or relocation of the structure?

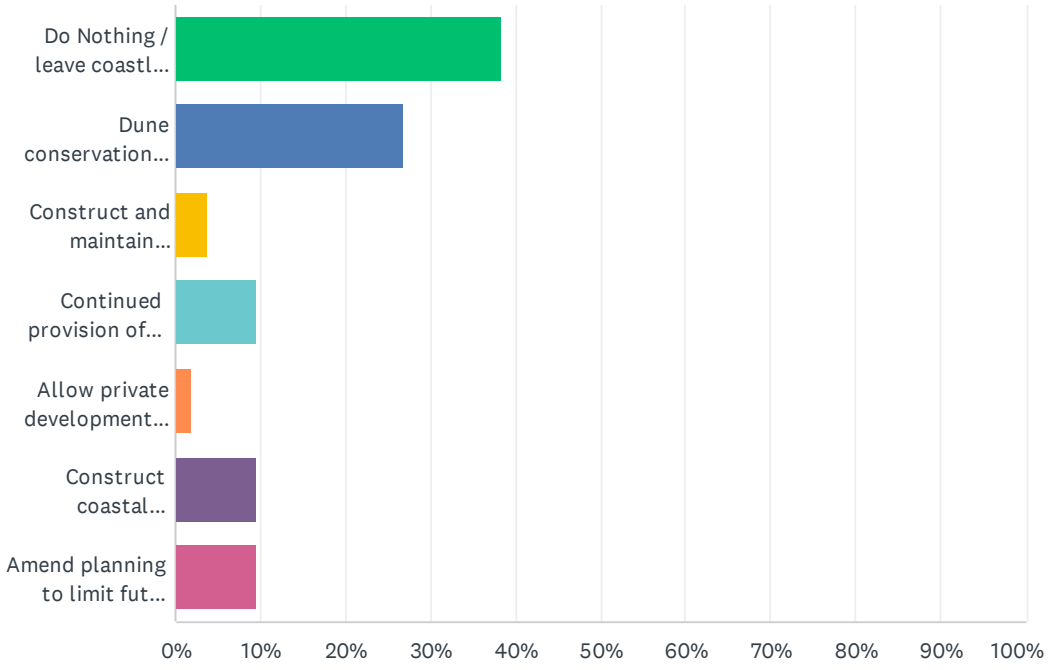
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
The owner	46.15%	24
State government, however noting there is a policy indicating that the government is not responsible for protecting private property	9.62%	5
The Shire, with funds from a coastal protection fee on tourists visiting the Shire (such as as an extra fee per night that tourist accommodation is used)	3.85%	2
A combination of the funding methods listed above	26.92%	14
The Shire, with funds from an increase in rates for all ratepayers in the Shire	1.92%	1
The Shire, with funds from an increase in rates for all ratepayers within the corresponding town	1.92%	1
The Shire, with funds from an increase in rates for all ratepayers within the hazard zone	0.00%	0
Other (please specify)	9.62%	5
TOTAL		52

Q39 For the section of coast from York Street to Aragon Street what is your preference for the coast over the next 20-years?

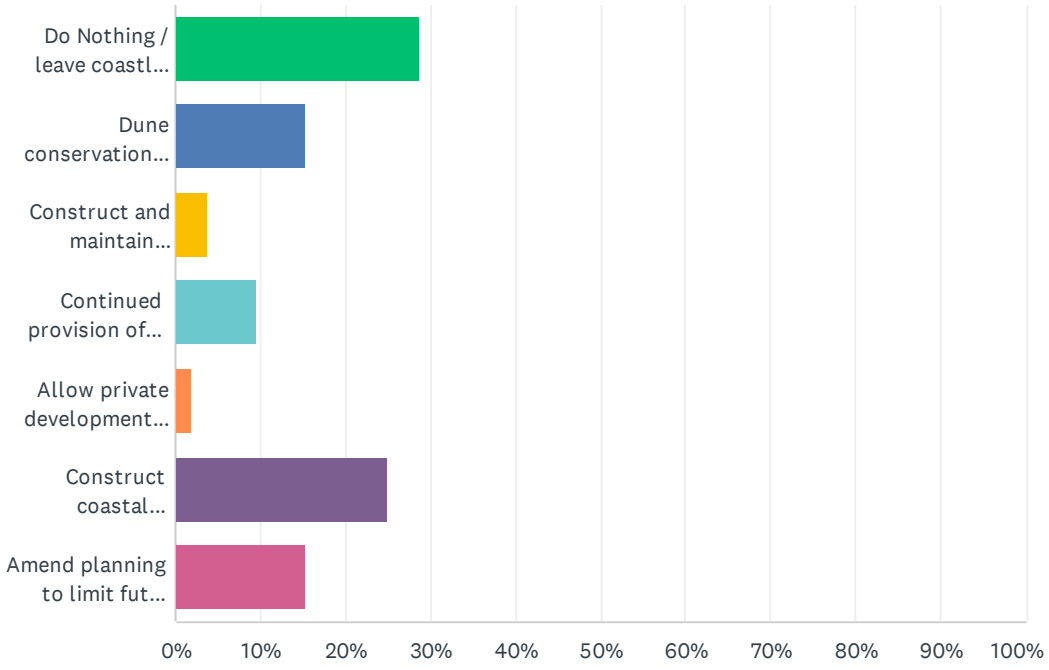
Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
Do Nothing / leave coastline as it is	38.46%	20
Dune conservation to continue	26.92%	14
Construct and maintain recreational and community facilities	3.85%	2
Continued provision of amenity/ access facilities	9.62%	5
Allow private development along the coastline	1.92%	1
Construct coastal protection works	9.62%	5
Amend planning to limit future coastline development or allow for relocation	9.62%	5
TOTAL		52

Q40 For the section of coast from Aragon Street to Cervantes Jetty what is your preference for the coast over the next 20-years?

Answered: 52 Skipped: 0



ANSWER CHOICES	RESPONSES	
Do Nothing / leave coastline as it is	28.85%	15
Dune conservation to continue	15.38%	8
Construct and maintain recreational and community facilities	3.85%	2
Continued provision of amenity/ access facilities	9.62%	5
Allow private development along the coastline	1.92%	1
Construct coastal protection works	25.00%	13
Amend planning to limit future coastline development or allow for relocation	15.38%	8
