4. MATTERS FOR DISCUSSION

4.1 STATUTORY COMPLIANCE AUDIT RETURN 2019

Location:	Shire of Dandaragan
Applicant:	N/A
Folder Path:	Business Classification Scheme / Corporate Management / Audit / Internal
Disclosure of Interest:	None
Date:	14 February 2020
Author:	Julie Rouse, Executive Secretary

PROPOSAL

That it be recommended to the Audit Committee that the Compliance Audit Return for the period 1 January 2019 to 31 December 2019 be adopted.

BACKGROUND

Local governments in Western Australia are required to complete, on an annual basis, a Compliance Audit Return (CAR). The Return is a self-assessment of compliance with Local Government (Audit) Regulation 13 and covers compliance in the areas of Caravans and Camping, Cemeteries, Commercial Enterprises, Delegations, Disclosure of Interest, Disposal of Property, Elections, Executive Functions, Finance, Local Government Employees, Grants Commission, Local Laws, Meeting Process, Miscellaneous Provisions, Official Conduct, Swimming Pools and Tenders.

In December 2011, Mr Castrilli announced a reduction of 20 per cent to the size of the CAR with a further 70 per cent reduction in 2012, meaning local governments will deal with eight, not 27 pages.

The remaining questions relate to areas of compliance considered high risk, such as:

- financial interest disclosures;
- procurement and tendering;
- delegation and use of delegated power; and
- the recruitment and appointment of the Chief Executive Officer.

After the Compliance Audit Return has been reviewed by the Audit Committee and a report presented to Council, a certified copy of the return along with the relevant section of the minutes and any additional information explaining or qualifying the compliance audit is to be submitted to the Director General of the Department of Local Government and Communities by **31 March 2020**.

COMMENT

For the period 1 January 2019 to 31 December 2019 the CAR demonstrates that the Shire has achieved the required level of compliance except in one instance relating to financial interest disclosures whereby one Shire employee's Annual Return was not received within the required timeframe as requested by the Executive Secretary due to them not completing their Annual Return being taking annual leave. This annual return was received directly upon

the employee's return to work. This non-compliance has been noted within the CAR.

CONSULTATION

- Executive Secretary

STATUTORY ENVIRONMENT

The contents of the Compliance Audit Return relates to *Section 14.3A* of the *Local Government (Audit) Regulations 1996* whereby the local government's audit committee is to review the compliance audit return and is to report to the council the results of that review.

4.2 BUDGET REVIEW 2019/2020

Location:	Shire of Dandaragan
Applicant:	N / A
Folder ID:	Business Classification Scheme / Financial Management / Financial Reporting
Disclosure of Interest:	None
Date:	19 February 2020
Author:	Scott Clayton, Executive Manager Corporate and Community Services

MINUTES OF AUDIT COMMITTEE MEETING HELD MONDAY 24 FEBRUARY 2020PROPOSAL

To recommend to Council that the budget review for the 2019/2020 financial year based on the financial statements from 1 July 2019 to 31 December 2019 be adopted.

BACKGROUND

As part of the amendments to the Financial Management Regulations (1996), Regulation 33A - Review of budget has been inserted.

"This requires;

- 1. between 1 January and 31 March in each year, local government is to carry out a review of it's annual budget for that year;*
- 2. it is to be submitted to council within 30 days of the review;*
- 3. Council is to consider the review and determine whether or not to adopt the review, any parts of the review or any recommendations made in the review; and*
- 4. a copy of the review and determination is to be then forwarded to the Department within 30 days."*

COMMENT

Staff have reviewed the 2019/2020 budget to identify any significant variances. The financial statements to the 31 December 2019 have been used as the basis for the review, however, where a variance has occurred and is known prior to the completion of the staff component of the review on 19 February 2020, these have been accounted for.

Attached is a detailed summary of the identified variances, the Rates Setting Statement and other statements showing the effect of these variances.

Historically, where budgeted projects have not begun and are unlikely to begin prior to 30 June, they have not been considered during the budget review process and have generally been left to carryover into the next financial year budget.

For 2019/2020 the budget review has considered the completability of projects and where it is determined that a project will not be completed within this financial year it has been removed.

This has resulted in a revised surplus of \$531,039. By removing projects that will not be completed now, Council can consider repurposing this money to bring forward projects that can inject cash into the local economy in the current tight economic conditions. Any projects that have been deleted can be re-considered in the 2020/2021 budget deliberations.

The officer's recommendation below is the basic recommendation to adopt the budget review with a surplus of \$531,039, however, the committee is encouraged to propose an additional recommendation to Council on projects that can brought forward to spend the surplus by 30 June 2020.

MINUTES OF AUDIT COMMITTEE MEETING HELD MONDAY 24 FEBRUARY 2020
--

Officers have discussed possible project with estimated costs and they are listed below;

950m Turquoise Way path replacement	\$180,000
Extend the Jurien Irrigation project to oval tanks	\$30,000 - \$50,000
Culvert maintenance	\$85,000
Contribution to Hill River pedestrian bridge	\$TBA
Replacement of toilet at Sandy Cape	\$80,000

CONSULTATION

- Chief Executive Officer
- Executive Manager Infrastructure
- Executive Manager Development Services

STATUTORY ENVIRONMENT

- Regulation 33A and 34 of the Local Government Financial Management Regulations (1996)

POLICY IMPLICATIONS

There are no policy implications relevant to this item.

FINANCIAL IMPLICATIONS

The adoption of this budget review will amend the budget with an overall recognition of a surplus of \$531,039.

STRATEGIC IMPLICATIONS

There are no direct strategic implications relevant to this item, however, legislative compliance, strong financial controls and good governance are core functions of Local Government.

Consideration of projects to be brought forward should consider their alignment with the goals contained in the Community Strategic Plan and/or projects already identified in the Corporate Business Plan.
