

9.5 C-9ADSP05 - Advertising Devices (Signage) Policy

1.0 Citation

This is a Local Planning Policy prepared under Schedule 2 of the Planning and Development (Local Planning Schemes) Regulations 2015. This Policy may be cited as Local Planning Policy 9.5 Advertising Devices (Signage) Policy.

2.0 Introduction

This Policy provides a framework for the design, placement and assessment of outdoor advertising signs within the Shire of Dandaragan. This Policy intends to ensure that the display of outdoor advertising within the Shire of Dandaragan do not adversely impact on the amenity of surrounding land while providing appropriate exposure for businesses, activities or services.

This Policy should be read in conjunction with the Shire of Dandaragan Local Government Property Local Law and the Shire of Dandaragan Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law, both made pursuant to the Local Government Act 1995.

3.0 Objectives

- To promote a high standard of design and presentation in outdoor advertising.
- To ensure that the visual quality and character of particular localities and transport corridors are not eroded.
- To ensure outdoor advertising signs are not misleading or dangerous to vehicular or pedestrian traffic.
- To enable businesses and community groups to effectively advertise activities, goods and services while encouraging the rationalisation of outdoor advertising.
- To avoid a proliferation of outdoor advertising to reduce and minimise visual clutter.
- To prohibit outdoor advertising which is considered to be superfluous or unnecessary by virtue of their number, colours, height, prominence, visual impact, size, content and relevance to the premises on which they are located.

4.0 Applications Subject to this Policy

This Policy applies to the erection, placement and display of any outdoor advertisement other than those listed as exempt below.

4.1 Exemptions

The following types of advertisement signs are exempt from the need to obtain development approval:

- any sign which is classified as exempt under Schedule 5 of *Shire of Dandaragan Local Planning Scheme No.7*;
- any sign which is classified as exempt under clause 61(1) of the *Deemed Provisions for Local Planning Schemes*;
- any sign which is the subject of an existing approval made prior to the date of effect of this Policy;

- newspaper or magazine posters, provided they are displayed against the outside wall of the business premises from which the newspapers or magazines are sold;
- freestanding event signage placed or erected only to direct attention to a place, activity or event for up to 24 hours prior and post that activity or event;
- garage sale signs, each not greater than 0.25m², advertising the sale of second-hand domestic goods in domestic quantities, not being part of a business, trade or profession and only being displayed for up to 24 hours prior and post the day of the sale and on no more than 2 occasions for the same lot in each 6-month period;
- a sign permanently affixed or painted on a vehicle to identify a company, business, service or product supplied or sold by that company, provided the vehicle is not parked in a fixed location.
- a sign placed on or in front of a property advertising the sale or lease of a building, property or business, providing;
 - the aggregate area of such onsite signage does not exceed 3m² in area;
 - the signage is contained within the property boundary, unless in the instance that the sign will be substantially obstructed, in which case the sign can be located on the road reserve providing it does not obstruct public visibility or access; and
 - the signage does not protrude above surrounding elements of the landscape.
- a sign erected and maintained on street furniture, bus shelters or seats in accordance with the terms and conditions of a contract between the Shire and the company responsible for those signs;
- a sign erected by the Shire, or with the approval of the Shire, on land under the care, control and management of the Shire.

4.2 Interpretations

- A sign that fits within the definition of more than one sign type shall be assessed against the criteria the Shire considers most applicable.
- The area of a sign is to be measured as the greatest horizontal dimension multiplied by the greatest vertical dimension, excluding any support structures.
- If a sign is not mentioned in this Policy or the Scheme, then the sign shall be assessed on its individual merits.
- Should any conflict arise between the provisions of this Policy and the Shire of Dandaragan's *Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law*, then the local law is to prevail.
- Where applicable, a signage permit may also be required under the *Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law*, in addition to development approval under this Policy.

4.3 State Road Reserves

All signs on or in the vicinity of any road under the care and control of Main Roads WA, will also require approval in accordance with the *Main*

Roads Act 1930, in addition to the approval(s) from the Shire.

5.0 Application Requirements

5.1 An application for development approval for advertising signs shall be accompanied with the following documents:

- Completed development application form;
- Completed additional information for advertising signs form;
- Site plan showing the location of the sign(s), all buildings, lot boundaries, street names, north point;
- Elevations illustrating the location of the sign(s) in relation to the building / site;
- Illustration showing the contents, dimensions (including height above ground), surface areas and structural details of the sign; and
- Structural engineering certificate for pylon signs.

5.2 Signage Strategy

A signage strategy is an overall plan for a development site or precinct and shall be submitted with an application for development approval when:

- the sign/s relate to a shopping centre and/or commercial precinct;
- the sign/s relate to a subdivision or development estate which proposes more than ten lots;
- the sign/s relate to a display home or village; or
- the number of signs for a development site (existing and proposed) exceeds a total of two.

A signage strategy should incorporate the location, type, size and design of all existing and proposed signs, depicted on illustrations, site and elevation plans. Justification should be provided on the need for the number and design of signs proposed, having regard for the relevant Policy provisions and objectives.

6.0 Policy Statement

6.1 Design Amenity

All signs shall:

- not be injurious to the amenity, streetscape or natural beauty of the precinct;
- be simple, provide for instant recognition and relate to the site on which they are located;
- not contain any discriminatory or offensive material (objectionable, violent, insulting, obscene or defamatory to most people, or a particular group of people);
- have lettering and colouring that is clearly legible for the intended audience (i.e. whether the reader is a pedestrian, cyclist or motor vehicle occupant);
- be maintained in good order and clean condition; and
- be designed to utilise colour schemes and materials that fit in with the overall style of the surrounding development and/or precinct.

6.2 Safety

All signs shall:

- be structurally sound and capable of withstanding any forces to

which it would be reasonably subjected to without collapsing, deforming or moving from the position on which it was erected or displayed (this is the responsibility of the applicant to demonstrate where required); and

- not create a hazard for vehicles, pedestrians or building occupants.

6.3 Siting

Unless expressly permitted within this Policy, signs shall not be displayed:

- on land that is not associated with the goods and services advertised on the sign; and
- within the following particular locations and transport corridors, other than development approved by the Shire:
 - Catalonia Park, Cervantes;
 - Jurien Bay Foreshore (Dobbyn & Fauntleroy Parks); and
 - Bashford Street, Jurien Bay.

6.4 Illumination & Movement

All signs containing any: illumination or radio; animation or movement; retro-reflective or fluorescent materials in its design or structure requires development approval and will be assessed on its individual merits.

6.5 Mobile and Itinerant Vendors

Other than signage affixed to vehicles associated with the service, mobile and itinerant vendors are permitted to display one portable sign directly adjacent their service vehicle during operating hours.

6.6 Remote Advertising

The Shire will generally not support remote advertising or advance warning signs (other than a blue service or brown tourist sign), as this may lead to an undesirable precedent and proliferation of signage to the detriment of the amenity of the Shire.

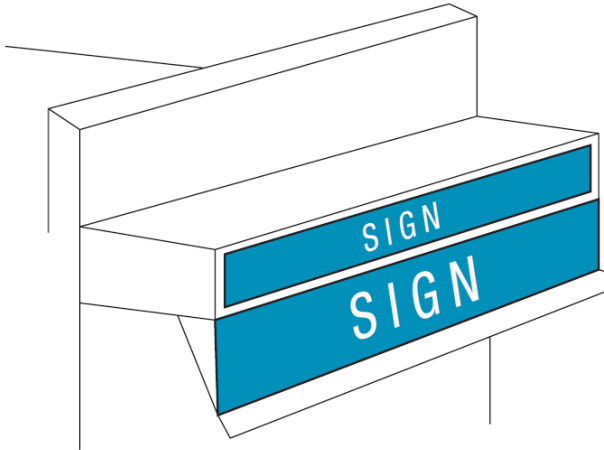

The Shire will consider granting development approval for remote advertising, where the signage relates to a significant development, events or tourist attractions.

7.0 Sign Liability

Where a sign is proposed to be placed in, or overhang, a public place or street, the applicant will be required where appropriate, to provide a public liability insurance policy indemnifying the Shire against all actions, suits, claims, damages, losses and expenses made against or incurred by the Shire arising from the approval of the sign.

The applicant may be required by the Shire to:

- take out a public liability insurance policy in the name of the owner or applicant and the Shire, for an amount considered appropriate to the risk involved;
- keep that insurance policy current for the duration of the approval;
- include a clause in the insurance policy which prevents the policy from being cancelled without the written consent of the Shire;
- include a clause in the public liability insurance policy, which requires the owner or applicant and the insurance company, to advise the Shire if the insurance policy lapses, is cancelled or is no longer in operation; and/or
- on the request of an authorised person, provide for the inspection of a certificate of currency for the required insurance policy.
