

# STREETSCAPE APPLICATION FORM

## 1. Information for applicants

Organise a verge/swale makeover in your neighbourhood and the Shire of Dandaragan may be able to provide assistance.

You need at least three (3) other households in your street or nearby streets in your neighbourhood to lodge a Streetscape Application.

In addition to your own efforts to make your street attractive, you can request assistance from the Shire of Dandaragan to:

- remove weed or overgrown grass;
- breakup topsoil and do minor earthworks;
- deliver mulch; and
- planting.

So, the Shire can consider your proposal and ensure a degree of consistency within the neighbourhood, you will need to prepare a neighbourhood planting plan with the following information:

- a map showing which households are requesting assistance.
- a simple drawing or sketch plan for each household's verge showing:
  - where and what you want to plant;
  - what areas will be mulched; and
  - any areas that will be paved or have some other form of hard cover.
- a completed Streetscape Application for each household.
- a management statement outlining who and how the subject verge will be maintained.

You can lodge a Streetscape Application with your neighbourhood planting plan at any time in the year.

You will be notified at the earliest convenience after your application is received on whether you and your neighbours will be able to receive assistance.

Works requiring Shire resources will generally be carried out during March and September.

You must nominate at least one neighbour to be on site when works are carried out.

Assessment will be based on how well your neighbourhood planting plan demonstrates that you and others in your neighbourhood are eager to plant and look after local streetscapes.

The level of assistance that can be provided will depend on the number of applications received and the availability of project funding, resources, equipment and staff.

## 2. Your neighbourhood members

Names	
Best day time phone	
Best mobile phone	
Who will be on-site when works are carried out	

## 3. Your property details

House or lot numbers	
Street(s)	
Suburb	

## 4. Assistance

Please tick if assistance is requested for any of the following:

<input type="checkbox"/>	weed and grass removal	<input type="checkbox"/>	delivery of mulch
<input type="checkbox"/>	minor earthworks	<input type="checkbox"/>	planting

## 5. Neighbourhood planting plan

Please provide a brief description of your proposed planting plan on the next page. If you are applying to plant or maintain a swale drain, guidance should be taken from the Beachridge Estate Swale Planting Guidelines available on the Shire's website or by hardcopy on request.

## 6. Verge agreement

### I/We understand and accept the following:

1. I/we am/are responsible for all plantings and/or materials placed on the verge.
2. I/we undertake to maintain the verge and keep it in a neat, tidy and safe condition.
3. I/we understand that placement of plants or other materials must not restrict access or the rights of others to lawfully use the verge.
4. I/we will ensure that all works will be carried out in a safe manner in accordance with the proposed design/sketch map provided.
5. I/we understand that species of street tree provided by the Shire of Dandaragan will be selected to maintain street uniformity where possible.
6. I/we accept that the Council or any other public utility is not responsible for replacing or reinstating any area that may be disturbed or damaged as part of works I/we carry out on the verge.
7. I/we understand that this is only an application to request assistance and there is no guarantee that Shire of Dandaragan will be able to provide requested assistance.
