

7. Engineering

7.2 C-7PE02 – Plant and Equipment

Previous Policy Number – 7.1

PART A- Policy

Objective

To establish Council's Policy in respect of the use and loan of Shire plant, equipment and other property.

Policy Statement

1. Shire Plant

Employees access to Shire owned plant and equipment is restricted to sundry plant ie lawnmowers, brushcutters at the discretion of the Chief Executive Officer.

Use of plant and equipment by community groups will only be considered where the request is part of a CSRFF, Shire of Dandaragan / Tronox Recreation Fund or Community Grants application.

The Shire provide in-kind site works for the construction of buildings and other infrastructure by community groups on reserves vested within the Shire at the discretion of the Chief Executive Officer.

Access roads to sporting / recreational clubs will be graded free of charge as part of the Shire's road maintenance program.

2. Portable Toilets

The Shire's two (2) portable toilets may be utilised as a donation for community and sporting based projects subject to the following:

The event organisers take responsibility for collection of the two (2) portable toilets and return following the event.

The event organisers arrange with Shire staff to have the two (2) units pumped out at their cost.

The portable toilets will not be made available to individuals i.e. parties, etc.
