

8.3 Bush Fire Control Officer Appointments

INTRODUCTION

This policy provides a guide for suitability for a person to be appointed as a Bush Fire Control Officer (BFCO).

Objective

Council will encourage all Bush Fire Control Officers to attend Bush Fire Control Officer Training and to maintain these qualifications where possible.

Policy Statement

1. Council acknowledges the importance of formal training and qualifications and encourages all persons to engage in formal training if and where possible. Council will support all persons who engage in formal training.
2. A Bush Fire Control Officer will be appointed until the person resigns from the position of BFCO or unless revoked by Council.
