GENERAL TIPS

- Place your bins on the kerb with unobstructed access. Your bins should face the road with the handles facing your property. If you have more than one refuse/recycling service, it is important to place the bins at least 50cms apart to ensure there is no interference with the collection.
- Place your bin out well before your collection time to ensure it is collected.
- Place all rubbish inside your bin and not next to your bin.
- Ensure your bin weighs less than 70kg.
- Close your bin lid to avoid windblown litter and vermin.

RURAL RUBBISH PASS

Rate Payers that are not serviced by the town rubbish collection can pay an annual Rural Disposal Charge which provides:

- Entry to the facilities once a week to dispose of domestic refuse equivalent to one wheelie bin and
- Four (4) tip passes.

To apply for a Rural Disposal Charge please contact the Shire of Dandaragan on (08) 9652 0800.
