

Municipal Heritage Review - Jurien Hall

The Jurien Hall is recognised in the Shire of Dandaragan's Heritage Inventory as a place of value to the community.

The Hall has been used as a community building and meeting place for many generations since its construction in 1971. Over recent years, the building's use has declined as community activities have gravitated towards other more modern and suitable venues, and since the Jurien Bay Youth Group went into recess.

Council is now seeking community input on what the future holds for the Jurien Hall. A more detailed assessment has now begun, and we would like to know the community's views on the future of this building. No decisions have been made by Council and this survey and other community engagement activities - including a workshop - will inform the decision-making process for the future of the Jurien Hall.

Please complete this survey and return it to the Shire of Dandaragan by 4pm Friday 26 November 2021 - 69 Bashford Street, Jurien Bay, post to PO Box 676, Jurien Bay WA 6516, or drop in one of our comment boxes at Turquoise Coast Visitor Centre, Badgingarra Community Centre, Cervantes Library and Dandaragan Library.

Municipal Heritage Review - Jurien Hall

* 1. Do you have a particular interest or connection to Jurien Hall? (E.g., have you attended events at the Hall or been part of a group that used it as a meeting space?)

Yes

No

If yes, what is your connection or interest in the Hall?

2. If you answered yes to Q1, will that interest or connection be affected by the retention, renovation or demolition of the hall? How/why?

* 3. When thinking about the future of the Jurien Hall, rank the following options for the future of the Hall - noting that some options will have significant financial costs that could impact other Shire of Dandaragan priorities for community facilities (with 1 being your most preferred and 5 being your least preferred)?

Retain the Jurien Hall in its current state with no significant changes until the Jurien Bay Recreation Reserve Masterplan is completed, acknowledging that the Hall will remain unusable due to asbestos.

Undertake a complete renovation / refurbishment of the Hall to create a revitalised and safe community venue with a similar aesthetic to the existing building.

Demolish the Hall and design / construct a new building in its place.

Demolish the Hall and leave the land empty until plans for the Recreation Reserve are in place.

Create an interpretive (art) project on the current site to honour the heritage and history of the Hall after its demolition.

4. If the Jurien Hall was renovated, how would you personally like to utilise the Hall, and how often?

How you personally would use the Hall?
