CIVIC CENTRE OPENING CELEBRATED BY JURIEN BAY COMMUNITY

More than 100 people enjoyed the turquoise coast sunshine on Friday 1 May to join in the celebrations as the Jurien Bay Visitor Information and Civic Centre was declared officially open by Minister for Regional Development; Lands, Hon. Terry Redman MLA.

The new, multi-purpose building provides modern, well-equipped tenancies for the Department of Parks and Wildlife and the Jurien Bay Community Resource Centre as well as hot office space, conference and education facilities and an outdoor amphitheatre.

The public event was an acknowledgement of all the individuals, businesses and organisations that contributed to bringing the largest single infrastructure project ever undertaken in the Shire of Dandaragan to fruition. The morning commenced with a Welcome to Country presentation by Noongar Traditional Elder of Yued, Charlie Shaw and was followed by speeches from Shire of Dandaragan President Cr Wayne Gibson, Shire of Dandaragan CEO Tony Nottle and Member for Moore Mr Shane Love MLA before the official opening proceedings were conducted by Minister Redman.

With Jurien Bay selected as one of Western Australia’s nine SuperTowns, all speakers outlined how ongoing infrastructure investment, including the new building, contributed to continued growth, development and advancement within the Shire. As part of the ongoing revitalisation of Jurien Bay’s Town Centre, the building is positioned as a central hub for business and economic development, increased educational opportunities, community engagement and recreational activities.

After the official proceedings were completed, attendees enjoyed self-guided tours of the new building and a sumptuous morning tea was served in the expansive foyer, which will be home to the new Turquoise Coast Visitor Centre and Jurien Bay Public Library when they open later this month.

The people of Jurien Bay now have a striking new landmark in the main street that is not only impressive in its physical scale but in the ongoing contributions its tenants will make in improved services delivered in the region.
Sewer Project Update

The Shire of Dandaragan wishes to advise the Jurien Bay Community that construction of the Jurien Bay Sewerage Stage 1 Project is about to commence. The duration of works is expected to be over a 6 month period from late May 2015 to mid December 2015. Works are expected east of Bashford Street along Hamersley Street, Whitfield Road, Batt Street and Bayliss Street, as well as on lots immediately south of Jurien Bay District High School and the Golf Club with works to be undertaken including:

- Installation of Gravity Sewer along Hamersley Street, Whitfield Road, Batt Street and Bayliss Street.
- Construction of Sewer Pump station on lots 1166 and 1236.
- Construction of a Sewer Pressure Main from lot 1236 to the existing Water Corporation WWTP.

Works will be undertaken by 2 separate earthmoving contractors who have been awarded the 2 tenders associated with this project. The Contractors site compounds will be located on lots 1236 and 1162. Access to these compounds for construction traffic will be via access tracks from Hamersley Street (near Bayliss Street) and Bashford Street near lot 72. Site compounds will be secured after hours, but will remain open during construction hours to allow for access for construction personnel. Access to site compounds will not be permitted to the general public.

Traffic management will be in place during the construction period. There will be an increased volume of heavy plant and equipment working in this area of town. Motorists, school children and residents are asked to obey all conditions of traffic management whilst it is in place.

During construction deep excavation will be taking place along the above mentioned streets. Necessary safety measures including barricading and pedestrian management will be in place throughout construction. Pedestrians are asked show extra caution and obey all pedestrian management whilst it is in place.

Cardno have been appointed the Project Superintendent and are managing the Construction of the project. This is being undertaken closely with the EMI and CEO. All queries relating to the project construction should be directed to Des Smith of Cardno on +61 8 6461 0702 or desmond.smith@cardno.com.au.

LIBRARY AND VISITOR CENTRE OPENING SOON IN JURIEN BAY!

Thank you to the many community members that attended the recent opening of the Jurien Bay Visitor Information and Civic Centre. The beautiful open foyer was the perfect location for a delicious morning tea and information booths from community groups and service providers. As furniture and decorations continue to be installed in the foyer, both the Jurien Bay Public Library and Turquoise Coast Visitor Centre will be opening within the next few weeks.

The Jurien Bay Community Resource Centre will be managing the weekday operations of both the library and visitor centre on behalf of the Shire but we are seeking expressions of interest from community members that would be willing to commit their time to volunteer at the Visitor Centre on Saturday or Sunday mornings from 9am to 12 noon.

A roster will be implemented so you can choose the days that you volunteer and full training and support will be provided. The role for volunteers to fulfil is only to provide information to visitors and advise them on the brochures, maps and accommodation information available. There is no requirement to handle money or make travel and accommodation bookings.

If you are interested in becoming a visitor centre volunteer please contact:
