

HARVEST & VEHICLE MOVEMENT BAN NOTIFICATION

Council has previously implemented a system of being able to advise farmers/businesses of the imposing of Harvest and Movement of Vehicle Bans via a mobile phone. If a Ban has been imposed, all persons registered will be sent a text message advising of details.

If a person wishes to register their mobile phone number with the Shire for this service, please return the tear off slip below to Community Emergency Services Co-ordinator at the Jurien Bay Administration Centre, or fax the details to 9652 1310 with your name and mobile phone number. By submitting your details you are agreeing to participate in this scheme. The form must be signed.

Please complete the form as soon as possible to allow this process to be put in place for this Fire Season. All Bans will be broadcast on radio as per previous years. Radio is still the primary means of notifying farmers of Bans. As mobile phone coverage can drop out, text messages should not be relied upon to be received in a timely manner.
